

February 2025 Newsletter Addendum

Congregational Meeting

There will be a Congregational Meeting scheduled immediately after worship services on Sunday, February 16, 2025. The purpose of the meeting is as follows:

- To elect the Pastor Nominating Committee. Serving from the Session will be Larry Mayer and Randy Moyer.
- To receive the year end summaries of the various committees and organizations for the 2024 year

After the Congregational Meeting, there will be a meeting of the Hebron Corporation (all members of the church) to elect officers for the 2025 year.

Please plan to stay for these important meetings.

It's Time For A Church Directory Update

As we begin a new year, we notice that there have been changes with information regarding our congregation members —new home and email addresses, new phone and cell numbers, etc. In order to have the office directory up to date, we are asking that you help us with this project. After we get it typed up, we can distribute a new directory to all who would like a copy.

Please fill out the bottom portion of this addendum and return it to Joann Weikert or Joan Wright. Up to four family members can use one form. There will be a basket in each vestibule to submit your information.

Please place your completed form in the baskets in the church vestibules.

Elder of the Month For February

Larry Mayer has volunteered to be the Elder of the Month for February. In case of an emergency and the church office is closed, you can contact Larry at 540-885-6984.

Calling Post

With the beginning of the new year, the Communications Committee would like to add your name to the **Calling Post** list if you have not done so. **Calling Post** is an automated phone program that reaches out to the congregation to inform members of service cancellations, death notices, illnesses, event reminders, committee meetings, etc. Usually, Pastor Hank delivers a short meditation and prayer once a week. The call can last no more than 90 seconds.

If you would like to add your name to the **Calling Post** list, you must fill out a form giving us permission to add your name. Please contact Joan Wright to get a form. By the same token, if you would like to have your name removed from the program, please contact Joan as well. Her number is 540-886-0864.
